CURRICULUM VITAE/ RESUME

Charles R. "Charlie" Harvin

Personal Statement:

I am an US Citizen currently residing in Varna, Bulgaria and the sole owner and operator of Good Karma Productions, a multimedia development company licensed and based in Houston, Texas USA. I have over 8 years experience in telecommuting and several long term clients.

Objective:

I am currently seeking freelance or contract work which can be delivered via electronic media. My company also subcontracts a variety of programming professionals whose availability is included under any contract.

Abilities:

My professional experience includes over 20 years in print media and graphics, with more than 15 years experience in digital multimedia. I am proficient with Adobe Photoshop and Flash, and specific areas of expertise include (but are not limited to); website design and development, print production materials development, digital video editing, digital graphics, 3D modeling and animation, interactive programming and photography.

I am familiar with material aspects and fabrication techniques for most metals, textiles, leather, plastics and glass. In addition to this I have considerable personal experience in a variety of trades, including construction, business management, retail, interior/architectural design and bar/restaurant management. I am constantly expanding my professional horizons and my combined experience in business and creative design has created a unique range of talents.

Key Skills:

Specific Software: Adobe Flash, Dreamweaver, Photoshop, PageMaker, Premier, After Effects; Poser, Media Cleaner, Microsoft Publisher, PowerPoint, Word, 3D Studio Max, Cult 3D, Various scripting languages

Traditional Media: Publishing: print production, editing, layout ; Photography: 35mm, Medium Format, Digital. Professional Beta video & editing: color & B&W developing, streamed digital media. Graphic Arts: conceptualization, color process, design, drafting, architectural drawing, painting and mixed media construction; Sculpture: lost wax process jewelry & large scale bronze, leaded / foiled stained glass construction & restoration, woodworking, welding, blacksmithing Journalism

Education:

1982 -	Kilgore High School, Kilgore, TX.	
1982 - 1983	Kilgore Junior College, Kilgore, TX.	Engineering, Fine Arts
1984 - 1986	Colorado Mountain College, Leadville, CO.	Fine Arts, Art History
